

# DON'T WANT TO CHOKES UNDER THE HEAVY SMOG?

PM2.5 will be absorbed into the lungs' alveoli

International Agency for Research on Cancer of WHO released a report, claiming that, air pollutant with PM2.5 will cause people lung cancer and angiopathy, the danger of which is same as cigarette.

## The Danger of Air Pollution

# HOLTOP ELECTRIC ANTI-HAZE MASK OFFER YOU INSTANT CLEAN AND FRESH AIR

Suitable for  
long-time  
wearing

Makeup  
protecting

Sweat  
proofing

Anti-bacteria  
without secondary  
pollution

Effective  
PM2.5  
purification

Fit for  
all family

Five-layer multiple filters

Super high airflow

Free breathing

Lower noise

Food grade silica gel

Direct brushless motor

Multi-blade forward impeller

High capacity branded battery

Large chamber for free breathing

Body engineering compatible

## Haze removal >99%

Five-layers filtration, super clean  
More Purification, more protection

### Five-layers filtration

- 5 PP aseptic water proof filter
- 3/4 HEPA filter
- 2 Crystal carbonate filter
- 1 Plant fibre primary filter

## Safe

Baby food grade soft silica gel  
Without BPA, safe non-toxic

Same level food grade silica gel as  
baby nipple, no harm for skin

To wash directly or disinfect in  
high-temperature streaming

## Super silence

High speed maglev quiet rotor,  
multiple geometric blade design  
to make it lower noise

10 dB

Flower blooming

10-15 dB

Turning a book

28 dB

Electric mask

25-40 dB

Mosquito

70-80 dB

Telephone call

90 dB

Car whistling

## Say goodbye to oppression

- 3 shift airflow to adjust freely
- Large ventilation chamber for free breathing
- Rotate speed 6500r/S
- Super large airflow 8L/S

## 6hours Long Endurance

With 608mAh battery capacity,  
no trouble for outdoor activities!

### Specifications:

Filter type	Five-layer multilayer filter	Working environment	-20°C~50°C
Materials	food grade silica gel, baby level skin care	Charge parameter	5V/1A
		Battery capacity	6H
Max noise	<30dB(A)	Max airflow	8L/S clean airflow

Adult type: For age>12

Color: pure white, silver grey or pink

Children type: For age 4~11

Color: Pure white, sapphire blue or pink
